December News

HOLIDAY GREETINGS!

Well, here we are, less than a week before **Christmas**. It's such an exciting time of year as we decorate our homes and gather with family and friends. Our **Garden Club** has been busy, too!

The **Greens Sale** was another huge success with many thanks to Gwen Puglisi and Maureen Innes. Gwen opened up her home and served soup, cookies and champagne as we all enjoyed making our annual arrangements in her basement and garage. Thanks to the members who volunteered and purchased our creations. They were really exceptional, and I was proud to give them as gifts.

Meals On Wheels met on Sunday, December 16, to make festive arrangements to bring some joy to those who need it. Thanks to Lee Carson and Nancy Morris and their committee. Apparently, the little arrangements were so nice that the drivers even commented on them and how much the recipients appreciated them.

If you plan to join us for the **Winter Social** on January 13 at the Black Powder Tavern in Wayne, kindly send your check for \$30 to Mary Ann McGowan. Please consider contributing something to our raffle baskets. Anne and Paige recently sent an email with a list of items. The social is always a lovely event, and the raffle baskets are ever popular.

I wish you all a wonderful **Christmas** and all good things in the New Year!

Nancy
